HVCB is a private, non-profit, 501(c)(6) corporation. Working closely with the Hawaii Tourism Authority as Hawaii Tourism USA, HVCB’s sole purpose is to promote our islands to travelers throughout the United States – Hawaii’s largest and most important market.

HVCB is truly a public-private partnership: a marketing organization with visitor-industry and general business representation, state contracts, Island Chapters which promote the interests of the individual counties, and specialized divisions which focus on vertically integrated areas of expertise.
